Seven Cash Prizes
To-Day.Find the 18 Capital Letters
and Work Out the Proverb.

The proverb published in last Sunday Times want proverb contest was "Sill water runs deep." The names of the winners and others sending the correct answers will be found in another column. The proverb in to-day's contest is composed of nineteen capital letters, and will be found in the middle of words scattered through the want columns of both pages. These capital letters haven't any value whatever to the words—as, for instance, the letter "A" in the word "bargains," viz: "bargains."

All answers should be addressed to the "Proverb Contest," Times office, and should reach this office not later than Friday at noon, when they will be placed (unopened) face downwards and thoroughly mixed. The first seven correct answers drawn will be awarded the seven cash prizes in the order drawn, viz: First, \$2; second, \$1; third, fourth, fifth, sixth and seventh, fifty cents each. What is the proverb?
